

SHOW YOUR CULTURE

In this #HeritageHack, we will teach you how to make a fun and easy video with your friends to capture the elements of their various cultures! Many elements make up a culture, from traditional outfits to cultural practices. What is an element of your culture that is special to you?

Fill in the blank here:

“This is my _____”

It is up to you to choose what part of your culture you would love to show! Let's come together and share fun facts about our cultures.

Let's get started!
Here is Part 1 of the Guide.

1. Gather several friends from cultural groups that are different from yours.
2. Think of what culture means to you and choose an element of your culture you want to share with others.

Fill in the blank here:

"This is my _____"

Examples:

- "This is my traditional outfit"
- "This is my cultural practice"
- "This is my family recipe"
- "This is my traditional dance"

3. Here comes the fun part!

Record short clips of yourself and your friends showcasing the chosen elements of your cultures.

Refer to the video guide at timestamp 00:06 to learn how to record these short clips.

03:05:21

Great job, we're almost there!
Here is Part 2 of the Guide.

4. Learn to edit these short clips together to form a video. Time to include the transitions here :)

Get tips on how to edit the transitions smoothly at timestamp 00:24.

5. Include some fun facts about your cultures by adding text and music in your video.

You can learn how to by referring to the video guide at timestamp 01:00.

6. Yay, you've made a fun and informative video about your cultures!

7. Don't forget to post it on your social media and #SHFHeritageHacks & #SHF2021. Check out the videos made by others too.
